

**“It’s easy to
see they love
what they do.”**

**– TONY ARABIA, FATHER OF NINE
NORTH ADAMS, MA**

“I loved every job I ever had. I’ve always been able to tell when someone else loves what they do, too – that’s why I appreciated the care I got at Sweet Brook. I was transferred there after being hospitalized at Bay State Medical Center for life threatening conditions. The staff was terrific – the nurses, aides, all of them. They didn’t just care for me; they made me feel like I was at home. Thanks, Sweet Brook, for looking after me so well, and for helping me get my strength back.”
